Stanford University
Stanford, California 94305

Dear Josh:

I was delighted when Mr. Eugene Kone told me of the news of your appointment two days ago. My sincerest congratulations, I think it will be a marvelous thing for Rockefeller University and the New York City scientific community as a whole. I do hope that when you get to New York and get settled, there will be a chance for us to renew contact. With best regards.

Sincerely yours,

D.K.

Dorothy T. Krieger, M.D.
Professor of Medicine

Director, Division of
